Description of Fault: (failure to detail nature of fault may incur a £25 inspection charge)

INSTRUCTIONS, TERMS & CONDITIONS

This form is for returning faulty equipment only. Please complete all sections of this form, sign below and return with product. All equipment returned to S.C.T. Ltd must have a Returns Authorization Number, this will be issued by Sales Support on receipt of this completed form. Write the RMA at the bottom of this form and attach a copy to the outside of the packaged item being returned, clearly showing the address below. All carriage costs are the responsibility of the customer. Product found to have no fault may be subject to 30% handling charge at our discretion. Products returned without Authorisation will be held in quarantine and no repair will be attempted until this form has been correctly completed by the customer and returned to S.C.T. Ltd. Product returned for repair/replacement will not be credited. Product returned as unwanted/not required will be subject to a Re-stocking fee, subject to condition and at our discretion
